Proof of address

Please note, for new members, or existing members who have moved, proof of address is essential for your application to be processed. This can take the form of a utility bill, bank statement etc. Please note copies cannot be returned and will be securely destroyed following use. We must ask that for all junior applications a copy of their birth certificate or passport is included and a proof of address (in the form of a utility bill of the parent or guardian the child resides with). Please do not send original copies of birth certificates or passports, as we can't accept any responsibility for them and will be unable to return them.

Only new applicants need to attach TWO PHOTOGRAPHS here. Your application cannot be processed without these. Please ensure your name and postcode are written on the back of each.
